

Credentials & Requirements

Wudly

Please fill in all fields.

Why we need this

To manage Wudly's Facebook, Instagram, Amazon, LinkedIn, YouTube and the website, we need the login details of the accounts below. Please enter the email ID (or username) and password for each account. Where an account can be shared, add our email with the access shown instead and tick Access given. Keep this document private and change the passwords after handover.

01
